

Brief CV

Name	Bajracharya Binod	Gender	Male	
Title (Pro./Dr.)	Professor	Country	Nepal	
Phone Number		University Email		
University/Department	Tongji University/Department of Software Engineering			
Personal Web Sites	http://sse.tongji.edu.cn/			
Research Area	Design of Ant Colony Optimization Algorithm Big Data Intelligence Human Computer Interaction			

Educational Background

Dept. of Software Engineering, Tongji University (M. S)
 Dept. of Computer Engineering, Tribhuvan University (B.E.)

Professional Experience

Association Expert Alumni Graduate 2013-2015 Tongji University China
 Member of Nepal Engineering Council ('A' Class)
 Lifetime Member of Nepal Engineering Association
 Advisory Committee, Neolinx Nepal
 Advisory Committee, Software Animation Technology Nepal.

Publications

Bajracharya Binod (2015), "Efficiency Analysis of Genetic Algorithm and Ant Colony Optimization Techniques for Travelling Salesman Problem" Advances in Computer Science Research, June 2015, csic-15.
