

Brief CV

Name	Te-Hua Fang	Gender	Male	
Title (Pro./Dr.)	Chair Professor	Country	Taiwan	
Phone Number		University Email		
University/Department	National Kaohsiung University of Applied Sciences			
Personal Web Sites	http://www.researcherid.com/rid/C-1955-2008			
Research Area	nanotechnology, computational materials science and mechanical engineering,			
<p>Brief introduction of your research experience:</p> <p>Professor Te-Hua Fang received her B.S. degree from National Taiwan University of Science and Technology, Taiwan, in 1993 and her M.S. and Ph.D. degrees from the National Cheng Kung University, Taiwan, in 1995 and 2000, respectively. Professor Dr. Fang has published over 300 international journal publications in nanotechnology, computational materials science and mechanical engineering, as well as numerous publications on technology, energy, and nanoscience issues. Dr. Fang has received memberships and honors from the First Class Research Award, National Science Council (NSC), Taiwan (2005-2007), Mr. Wu, Da-Yo Memorial Award, NSC (2007-2009) and Outstanding Research Award, NSC (2011). He is a <i>Fellow</i> of the <i>Institution of Engineering and Technology (IET,UK)</i> and Taiwan Institute of Knowledge Innovation. His research interests are in nanotechnology, molecular dynamics, and surface science.</p>
